

Flagler Bank recently teamed up with Second Chance Initiative located in Boca Raton Florida. During the Boca Chamber Festival Days we sponsored a mug making event that turned out to be very successful in creating awareness for this wonderful organization.

Second Chance Initiative is a nonprofit social enterprise, dedicated to helping women in recovery work toward self-sufficiency and build a brighter future-thereby breaking the cycle that perpetuates relapse.

Boca Chamber Festival Days

An interactive and fun networking event to support jobs for women in our community!

Sponsored by Flagler Bank

The women they employ have overcome significant obstacles in their lives, ranging from childhood abuse and post-traumatic stress disorder to addiction and homelessness. Yet each maintains the belief that as long as they work hard, they can create brighter futures.
